

The architectural and construction BUSINESS FORUM "Reconstruction of the country. Change strategy for the architects, developers and builders" will be held in the CEC Parkovy on May 11, 2023.

Date: 11 May 2023

Time: 12:00 to 21:00 Kyiv time (GMT+3)

Format of participation: hybrid – live meeting or online broadcast.

Location: CEC Parkovy (Parkova doroha, 16a, Kyiv, 3rd floor)

Organizers: Confederation of Builders of Ukraine (CBU), Media Group DMNTR | "Home and Interior".

We invite you to join a large-scale business event which will bring together the best speakers of Ukraine and the world to have an interesting, professional and meaningful discussion.

Language of the event: Ukrainian-English with synchronous translation.

Throughout the event, BUSINESS FORUM will host over **4,000** guests, there will be more than **60** stands, **3** thematic discussion blocks.

The BUSINESS FORUM program also provides for 3 events in a non-stop format, one of which is the **Community Recovery Forum** that will bring together the Ministry for Restoration officials, heads of local self-government associations, heads of regional military administrations (regional state administrations), mayors and village heads, as well as the industry experts. During the Forum, the priority projects of reconstruction and regional development as well as the features and conditions for their financing will be discussed.

The **TOP** speakers including the government officials and representatives of local self-government among those the heads of affected communities, directors and top managers of leading development companies, architects, developers, leaders in the industry are invited to participate.

The BUSINESS FORUM program provides for thematic blocks:

1. International block

Discussion panel "Investments. Institutions. Reconstruction and integration of Ukraine into the global business context".

2. Architectural block

Domestic local business.

Discussion panel "Architecture. Construction. Development strategies".

3. Big business

Discussion panel "Development. Market. Urban planning policy".
